

Who is our best customer in each country?

Helena Holý is our best customer in the Czech Republic with total spending of 49.62 \$.

I think we can offer them some rewards to encourage and motivate them.

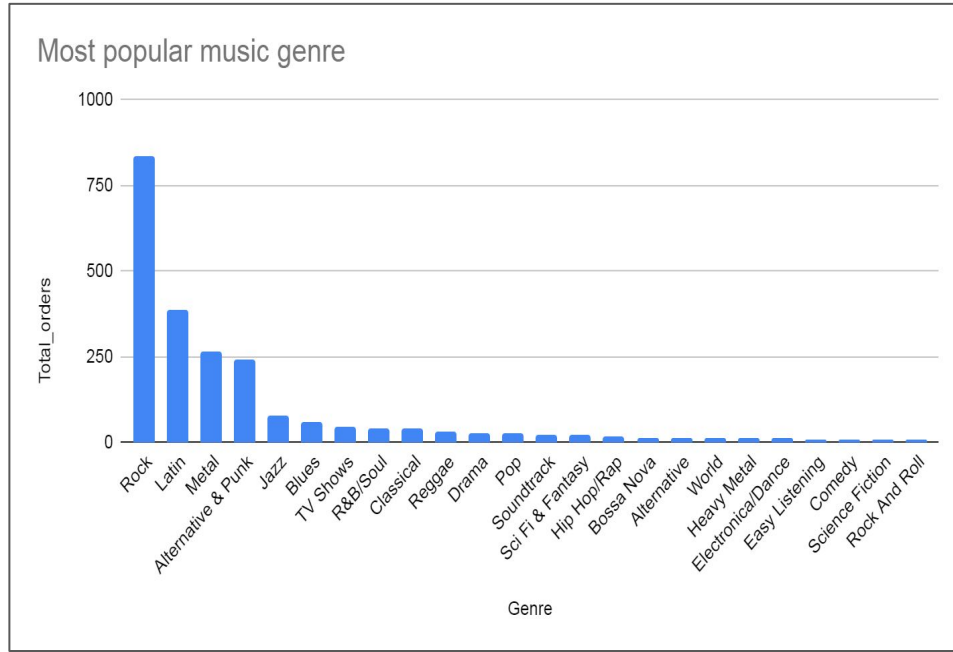

Who are our top-selling artists?

Those are our top 10 selling artists of all times

Iron Maiden is the best seller artist by 138.6 \$, followed by U2 with a total of 105.93 \$.

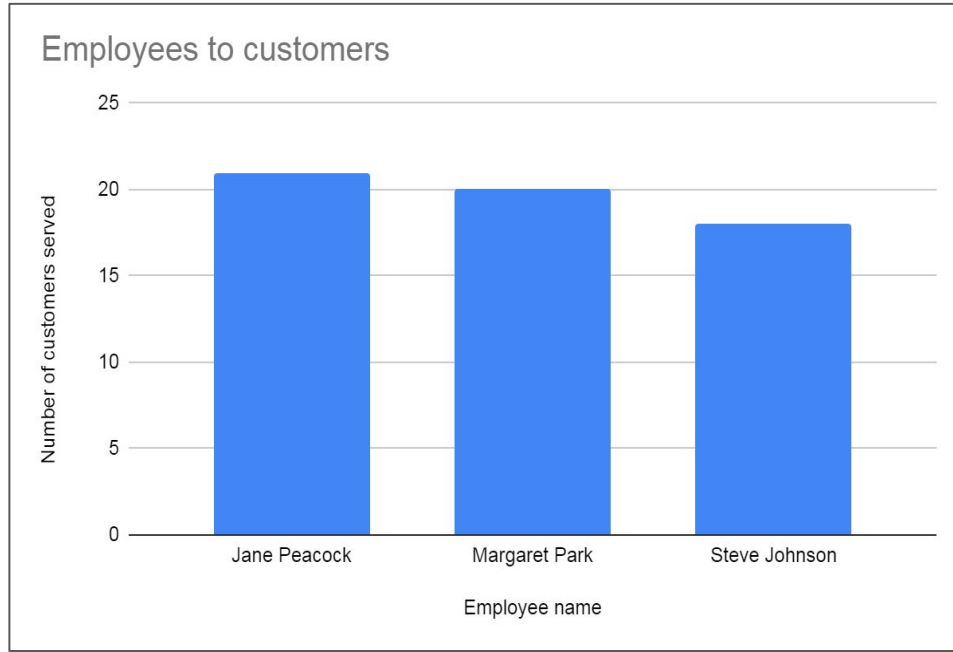

What are our popular genre based on number of orders?

Based on number of orders we can see that the dominant music genre is Rock.

Maybe we should invest more in that genre.

What support rep has the most customers?

This chart represents the number of customers served by each support rep we have.

Although Jane Peacock has the most customers all other employees are almost serving the same number.
